

A vibrant spring scene featuring several yellow daffodils in full bloom, standing tall in a field of green grass. In the foreground, five colorful Easter eggs are nestled in the grass. The eggs are decorated with various patterns: one is pink with white lines, another is yellow with purple dots, a third is light blue with white lines, a fourth is purple with white floral designs, and the fifth is light green with white lines. The background is a soft, out-of-focus green and blue, suggesting a bright, sunny day.
